Objective

Seeking a position within a creative agency where I can contribute to their team.

Education

Pensacola Christian College | Pensacola, Florida

Bachelor of Science degree in visual arts with concentrations in graphic design

Bachelor of Science degree in visual arts with concentrations in commercial art

Minor in Advertising

Experience

Emagination Unlimited | www.getemagination.com | Pensacola, Florida

June 2008 – Present

Working as a graphic designer in the advertising industry developing comprehensive promotional materials such as identities, advertisements, billboards, websites, and brochures for diverse clients and industries. Responsibilities include client interaction, managing multiple projects on tight deadlines from concepting to production, peer art direction, and file organization.

Signature Marketing Group | www.signaturegroup.net | Kansas City, Missouri

1 Month internship

Worked under the direction of designers in corporate identity, product design, event promotions, and personal branding. Learned the process of an agency and had work presented in client meetings.

Design Five

4 Month internship

Part of a five-person design team that designed identities and package design for a student group called Software Engineers Incorporated. Responsibilities included concept and design work, client presentations, and final production.

Student Creative Director

Directed a team of 4 designers in designing identities for student software and event promotion for a student software expo. Coordinated photo shoots and promotions, as well as directing the design and production of the expo materials.

Student Art Director

Led a team of 5 designers and a class of 28 in designing and producing the advertising campaign for a college bookstore window display. Presented the creative work to the manager and facilitated the design to meet the needs of the store.

Student Production Supervisor

Led a team of designers over the course of a semester in the production and promotion of a campus-wide student publication.
